The State of Maharashtra & Ors)..RESPONDENTS

Mr. R.V. More for the Petitioner

**CORAM: F.I. REBELLO J.**
**DATE :** 19TH APRIL, 2005.

P.C.:

. After hearing learned Counsel for the petitioners Counsel has not pointed out any error apparent in the order nor discovery of any new facts warranting exercise of review jurisdiction.

2. Learned Counsel, however, points out that though six seats are reserved for S.T. there is no population of S.T. If that be the case, it will be open to the petitioner to take such steps which they are entitled to in law. With the above observation Review Petition is disposed of. No order as to costs.
